

PremiStar Partners with Conditioned Air Design in Wisconsin

Leading HVAC contractor in Milwaukee joins the PremiStar family of companies

PremiStar, a leader in commercial and industrial HVAC, plumbing, and building automation services, has partnered with Conditioned Air Design, a commercial heating and air conditioning contractor based in West Allis, WI, a suburb of Milwaukee. This acquisition expands PremiStar's footprint in Southeastern Wisconsin, strengthening its commitment to customers in the education, healthcare, commercial/industrial, and data center segments.

"Our shared values combined strengths enable us to offer expanded services, greater customer capacity, career advancement opportunities for employees, and partnership opportunities with PremiStar HVAC, plumbing and controls service providers nationwide."

— BRIAN CHARLES, PRESIDENT, CONDITIONED AIR DESIGN

"Brian Charles and his team have succeeded by staying true to the same founding principles that have enabled PremiStar to become the premier commercial HVAC service provider nationwide."

— JOE KIRMSER, CEO, PREMISTAR
