

PremiStar Partners with Rabe Environmental Systems in Erie, PA

Leading commercial HVAC and plumbing contractor joins the PremiStar family of companies

PremiStar, a leader in commercial and industrial HVAC, plumbing, and building automation services, has partnered with Rabe Environmental Systems, a provider of heating, air conditioning, piping, plumbing, and energy management services in Erie, PA. This extends PremiStar's capabilities to Northwestern Pennsylvania and the tri-state Great Lakes region, strengthening its commitment to customers in the manufacturing, healthcare, education, government, and commercial real estate sectors.

"Our goal is to combine the experiences, talents, and strengths of our two organizations to further accelerate growth and customer success through shared values, innovation, and a culture of extraordinary customer service." — **MARK PATRIZIA, PRESIDENT, RABE ENVIRONMENTAL SYSTEMS**

"Rabe Environmental Systems is joining forces with PremiStar's leading platform of nationwide mechanical service providers and adopting our growing arsenal of best practices to drive operational excellence, energy efficiency, and data-driven solutions." — **JOE KIRMSEY, CEO, PREMISTAR**
